

project completion sign-off

Thank you for using Resolve for your I.T project. Please complete the form below to confirm the completion of your project.

If there are any outstanding issues with your project, please contact the project team at Resolve before signing the form. Where possible, please ensure that this form is completed by the person that signed the project confirmation form at the beginning of the project.

your organisation:	
project reference (can be found in the email directing you to this form):	

agreement

I confirm that the agreed project work has been completed by Resolve IT Solutions Ltd and the expected deliverables have been met to my satisfaction:

signature	your name
position (must be a director/company owner)	date
your email address:
